Late Utility Payment Penalties

All accounts are due and payable within fifteen (15) days of the date of the bill. Accounts shall become delinquent and a late fee equal to five percent of the amount due shall be imposed if payment has not been received by 5:00pm on the due date.

Prior to discontinuing service for delinquent accounts, a final notice shall be issued to delinquent account and payment shall be due within fifteen (15) days of the date of the final notice. If payment has not been received by 5:00 p.m. of the due date of the final notice, an additional late fee equal to five percent of the amount then due shall be imposed. A twenty-four (24) hour warning notice shall be placed on an exterior door of the building where service is provided and for which payments are delinquent and a service charge of ten dollars (\$10) shall be imposed on the delinquent account. Said warning notice shall state that water and/or solid waste service will be discontinued if payment of the delinquent account is not received by 5:00 p.m. of the due date indicated on the warning notice. If payment has not been received by 5:00 p.m. of the due date on the warning notice, water and/or solid waste service shall be discontinued.

Restoration of service, which has been discontinued for non-payment of a bill, may be had by payment of all outstanding charges to date plus a fifty-dollar (\$50.00) service charge at the offices of the City during normal business hours.
